# MyNuageNetworksLab overview and pricing

MyNuageNetworksLab overview

MyNuageNetworksLab is a service for individuals who need access to a Nuage Networks Software Defined Networking (SDN) lab. Key features and benefits of MyNuageNetworks include:

- Dedicated, remote access to a Nuage Networks SDN lab environment. Refer to the diagram in this document for details of the lab topology

- Development of hands-on skills and expertise with the Nuage Networks SDN product portfolio using multiple use case scenarios such as:

  - Creating a Layer 2 domain with corresponding virtual machines (VMs)

  - Creating a Layer 3 domain with corresponding subnets and VMs

  - Understanding the operation of a SDN controller

  - Verifying connectivity between VMs in the domain

  - Creating and testing security policies

  - Configuring and testing service chaining policies

  - Configuring and testing QoS and statistics policies

  - Interconnecting VMs to a Layer 3 VPN with the Nokia 7750 Service Router

  - Configuring an enterprise as an administrative user

  - Bare metal integration

- Re-visiting and practicing lab exercises from any of the Nuage Networks Virtuoso Certification Program (NN-VCPP) courses you have attended

- Flexible scheduling. Labs are available twenty-four hours a day, seven days a week. Labs can be reserved in advance and you can cancel your reservation within thirty minutes of the start time if your schedule changes.

MyNuageNetworksLab topology diagram

MyNuageNetworksLab topology diagram

Topology components consist of six servers including the Nuage Networks Virtualized Services Directory (VSD), Virtualized Services Controller (VSC), Virtualized Routing and Switching (VRS), Virtualized Routing and Switching Gateway (VRS-G), bare metal server and the Nokia Virtualized Service Router (VSR).

Note, MyNuageNetworksLab is available to anyone — you do not have to be enrolled in the NN-VCP to access a lab.

Pricing and registration

Pricing for MyNuageNetworksLab is provided below. Lab sessions are based on three-hour time-slots. For example, if you purchase four lab sessions, you will receive a total of 12 hours of lab access time.

MyNuageNetworksLab pricing - Lab access time

1 lab session in the table below = 3 hours of lab access time.

NUMBER OF 3-HOUR LAB SESSIONS BEING PURCHASED	LIST PRICE PER 3-HOUR LAB SESSION ($USD)	PART NUMBER
1 lab session	$40	3HE06160AA
5 to 10 lab sessions	$38	3HE06161AA
11 to 20 lab sessions	$37	3HE06162AA
21 to 30 lab sessions	$35	3HE06163AA
31 to 100 lab sessions	$34	3HE06164AA
101 to 200 lab sessions	$32	3HE06165AA
201 or more lab sessions	$30	3HE06166AA

Reserve your lab today at MyNuageNetworksLab.

For help with ordering and scheduling, send an email to MyNetworkLab.Scheduling@nokia.com.

For technical support with problems accessing the lab, send an email to MyNetworkLab.Support@nokia.com.
